### IMPORTANT TERMS

#### ! Note:

- If the number of guests exceeds the number given, then 10% extra plates will be charged on the applicable rate.
- There will be no reduction in the number once it is finalized at the venue. If any reduction is required, it must be informed at least 2 days in advance.
- During the event, arrangements for plates used for meals (before/after) will have to be managed by the party themselves.
- If the final number is less than the ordered quantity, payment must still be made for the original confirmed quantity.
- After placing the order, 40% advance payment must be made before confirmation.
- If any special work or special arrangement is added during the event, extra charges will apply.
- In any hall or open space, charges for mandap service, gas supply, other taxes, drinking water, and hall taxes will have to be paid by the party.
